

## West Yorkshire and Harrogate Support Staff Workforce Development Funding (SSWDF) 2019/20

Health Education England have confirmed that the 2019/20 Support Staff Workforce Development Fund (SS WDF) is now agreed and will be released to successful bids across the 6 West Yorkshire and Humber (WYH) locality areas for use before the end of March 2020.

Applications are invited using the attached form which is to be returned to the West Yorkshire and Harrogate Excellence Centre (WYHEC) generic email address: [leedsth-tr.wyhexcellencecentre@nhs.net](mailto:leedsth-tr.wyhexcellencecentre@nhs.net) by 12 midday, Friday 23rd August 2019.

**Criteria:** Applications must meet at least one of the LWAB priorities:

Workforce	Maximising the contribution of the current health & social care workforce
	Get more people training for a future career in health & social care
	Grow the GP & Community workforce to enable left shift
Workplace	Transform Teamwork
	Make it easier to work in different places and different organisations
	Agree & track workforce productivity measures
Infrastructure	Workforce planning & infrastructure

Applications are open to any Health or Social Care Organisation responsible for delivering services as part of the WYH integrated Care system and must reflect a plan aimed at benefiting support staff roles.

Applications must demonstrate an advantage to the Health & Care system and ways of working. A plan should be included outlining how impact would be evaluated and shared.

Proposed costs should be quantified and where applicable reference should be made where other sources of funding are also being used.

### **Process:**

To support the bids, we have identified Place Based representatives who will have sight of the applications submitted. You can find their details in the table below and you may wish to contact them in advance of your submission to discuss.

Indicative amounts are based on locality headcount and are estimated as guidance in the table below
